

SWIR CAMERA - END USER STATEMENT

As a Global Corporation with headquarters in the United States, we are required to comply with all U.S. federal requirements in addition to local rules and regulations wherever we do business. We must determine the end-use application and final destination countries for these products.

We therefore have a few questions we must ask you before we can complete the processing of your order/inquiry.

Thank you for contacting Edmund Optics (EO) and for your assistance!

HOW TO COMPLETE:

To ensure your order/inquiry is handled as quickly as possible, please follow these instructions.

1. Fill in the "Bill To" section and the "Ship To" section, if different.
2. In Section 1.1, please select which EO product(s) you wish to purchase.
3. In Section 2.1, please check the box that best describes how these EO product(s) will be used.
4. In Section 2.2, please provide the **end-user** of the product(s), if any. **The end-user is the person or entity who will be the final receiving party of your product(s).**
5. If the "Bill To" and "Ship To" parties are not the final destination for the product(s), please provide the final destination. Please list **all** countries to which you intend to ship the product(s).
6. In Section 3, please provide details about your **end-use** application, as this information will be used to determine EO's licensing obligations. If the product(s) (or a similar version) is advertised on your website, please include a link.
7. In Section 4, please advise which, if any, export controls apply to the end product(s).
8. Finally, in Section 5 please verify/sign the declaration and return the completed form to sales@edmundoptics.com.
